

SAFE DRIVING - READ THE ROAD

BE SEEN

Indicate your presence to other road users - always use indicators and avoid the blind spots of other vehicles

ANTICIPATE

Look ahead-scan the road at least several cars in front of you

BE AWARE

Check frequently what is going on around you-view your rear view and wing mirrors and your blind spots

EXPECT THE UNEXPECTED

Be prepared for changing traffic lights and do not assume that other driver or pedestrians will behave correctly
